

VENTURE WORKS

THE DIGITAL ARENA

BASE PACKAGE | A mobile electrified showstarter built to bring the party to you.

20 FT

RECOMMENDED BASE

BUILT TO MOVE. DESIGNED TO WORK. The Digital Arena base package is an open, modern and industrial mobile entertainment platform engineered around the electrical demands of your particular venture. Create a four-console sim-racing experience, a mobile arcade, a karaoke bar or another high-energy attraction - without the cost and commitment of a huge permanent facility.

INCLUDED IN THE BASE PACKAGE 20-foot high-capacity entertainment platform

■ Trailer chassis - 20 ft length ■ Interior framing and finished structural shell ■ Open, modern and industrial interior finish ■ Electrical system engineered to the demands of the selected venture ■ Gasoline generator sized for the specified electrical load ■ Shore-power connection for generator-free operation ■ Interior LED lighting and strategically placed electrical outlets ■ Durable commercial-grade flooring	■ Integrated Starlink connectivity package ■ Equipment mounting and cable-management provisions ■ Flexible open floor plan setup for sim racing consoles, karaoke bar, or any other high-energy attraction you can think of. ■ Fire extinguisher and carbon monoxide monitor ■ Easy-to-clean surfaces for quick turnarounds between multiple events in the same day ■ Ready for customer-selected simulators, arcade systems, karaoke equipment and furnishings ■ Core systems tested before delivery
---	---

AVAILABLE OPTIONS Configure the trailer around your attraction, audience and business model.

OFF-GRID POWER Lithium battery package for quiet, green operation	SOLAR Roof-mounted solar package for supplemental charging	FULL FOLD-UP WALLS Electrically operated full fold-up walls for an open-air attraction and expanded event footprint
EXPANDED LAYOUTS Larger configurations for additional consoles, attractions, inventory and guest capacity	CUSTOM INTEGRATION Purpose-built mounting, lighting, audio and equipment packages for the selected entertainment concept	BRANDING & PROTECTION Custom exterior wrap plus extended warranty coverage

WHY A 20-FOOT BASE? Space for up to four sim-racing consoles, a complete mobile karaoke bar or another immersive entertainment concept - without renting a large permanent facility.

READY FOR THE EVENT

Easy-to-clean surfaces support fast resets and quick turnarounds for multiple bookings in the same day.

MOBILE ELECTRIFIED SHOWSTARTER

A mobile sim racer, arcade or karaoke bar delivered directly to a driveway, venue, festival or corporate event.

THE PARTY COMES TO YOU

Launch an immersive entertainment business without leasing and operating a huge permanent facility.

YOUR ARENA. YOUR AUDIENCE. YOUR SHOW.
